“ Deepest condolences to the Gabriel family. What a beautiful picture of a beautiful lady. I think we became neighbors in 1956 and shared many great times with our families. It was always wonderful to bring my mom, Irene, to visit Angie. I loved just sitting back and listening to these best girlfriends catch up on all the kids/grandkids. And I had to promise not to share some of those stories! They loved having their birthdays one day apart.

May God comfort your family during this time.
