“ Dear Joe and all the Scalera family, I am sorry for this tremendous loss. Although I have never met your mom in person Joe, I have come to know her through GIGI's FB posts of Danielle and her beautiful family throughout the years. I know just by those how much she was loved and how much she loved her family. It is such a blessing that Danielle was able to grow up with her and that your grandchildren had this time with her. I have no doubt she will be deeply missed. May She Rest In Peace ~ Dee Haverly
