“ Condolences to all the family. We have wonderful memories of Betty hosting our Renew prayer group along with the group breakfasts and lunches at the diner. I enjoyed texting with Betty every day and always worried when I didn't hear from her. It was nice that she could stay in her house for so long. It is a blessing and gives me comfort that she had hospice, David and Jen with her at the end. God Bless, Marge and John Chippari

“ *My brother Greg, I and our mother Nancy all worked with Johnny's Ideal Printing for twenty years. Betty's smiling face was always there to greet you. Her friendship continued on as our lives took us in different directions. We always touched base by letter, text or lunch at Applebee's in the years that followed our original connection of our printing business's. She will be missed.*
