“ *Dear Ron & Family,  
Shocked & Saddened would be a understatement, trying to describe your loss. Our deepest condolences to you and family. We will always remember Bonnie arriving to a family gathering with one of her delicious covered dishes. The Mac & Cheese or the Carved Watermelon was two of our favorites. She will be remembered, but surely missed*

“ I remember riding on transport with Bonnie, alway attentive and fun, when she was looking for something to do, she'd come up and help us on the floor. She always talked of her fily and how proud she was of all. When she left she never said goodbye to me, just see you later, so my friend see you later.

“ *My thoughts and prayers go out to Bonnies family, she was a caring person and always willing to help any one. I have so many great memories of her, we both worked at the Firemens home and the two of had lunch together everyday in her own private hidaway where she passed out store items to the members. we sit and chat our lunch time away laughing and yes some times shed a tear of two. these are the memories of her I will always cherish, though your gone Bonnie, I will never forget you and our times together may you rest in peace love good by my friend until we meet again...Ethel Blanchard*
