“ *Grandma Carol will be dearly missed. I am so thankful she came to Daytona Beach for a while so we could spend more time with her and Tavian and Mallorie could get to know her better. They have very fond memories of making cookies, staying up late to watch movies, and doing crafts! Those times are irreplaceable, I am so happy they have to look back on!*

“ *Dear John & Richard, I'm saddened by Carol's passing. She was a friend for many years. She will be missed. May you find comfort in knowing how well she was known and liked by many in the community as well as her church, Our Lady of Hope. Sincere sympathy, Peggy Rose*
