“ I have the best memories with my Grandmother to hold on to and cherish forever. She was one of a kind and the best around. From our grocery store trips, to drawing her favorite chalk drawing of blue flowers in her driveway with me. Taking walks "up street" together and going to the post office every day. Our Stewart's ice cream trips and enjoying making our famous root beer floats together. Swimming in my grandmother's pool with her was always so much fun. Our sleep overs, us talking to each other on the intercom systems when she would be in her ceramic shop teaching classes. Holidays at Gram's were always comforting and so much fun. I will miss sitting beside her and playing our game boys and Nintendo together. She truly was my best friend growing up, and I will never forget the fun we had together. I love you Gram. May you rest in sweet peace💙
