“ I only knew Connie at Hannaford. She was always a pleasure to interact with and would go out of her way to say hi, even if she wasn't cashing me out. I cant imagine the loss you feel as I feel the loss when I go shopping now. May your happy memories uplift you.

“ Connie was such a sweetheart and always enjoyed a great conversation. Worked with her at Bard and would stop in Hannaford just to say hi when I was down that way.

“ Connie was my BFF since the day she came to work at Bard. She always made me laugh and i loved my "connie hugs". We continued to see each other every weekend when we could between her job and mine. i will miss my connie. She had a heart as big as ever . I can't imagine my life without her in it. I know she will in spirit. I know she will in my heart. RIP my very dear friend. Heaven is a happier place with you there. Will always love my friend and miss you so much.
