“ Janet, Danny , Anthony, Sue, Marie and Scott,
I am so saddened by this, I feel like a part of me has been taken.
We go way way back , more like family then friends. I'm sitting here
thinking about all the crazy fun times we had growing up from 4th
street to state street. The time he thought he was evil kneviel , to
him chasing Marie around the house or rough housing with Scott
,him playing body guard the night I met Bo at Joes and Dan telling
me it was ok to go for coffee with him , to the night he married Janet
, the two boys were born.. Dan you will be missed, till that day
comes and we all meet again love you Mary Ellen.

“ I'm going to miss my big brother. One of the good times I had as an adult was with Dan when I came home before I deployed to Bosnia. Dan and I went to Melinos and just sat and drank and talked. It was the first time I got to drink with my big brother and him telling me to watch my back when I deployed. And when I did call we would talk about the Yankees. I miss you and Love you bro. rest in peace kid.

“ To Janet, Lil Dan, Anthony, Susan, Marie, and Scott. My heart, thoughts, and prayers are with you during this time of grief. Big Dan was a mentor, teammate, co-worker, and most of all a Great friend of mine. I will remember Dan and all the fun and crazy times we had on State Street. Also all the good times we had on Joes Tavern softball team, and playing ball at Charles Williams. (Home Field). Traveling to Stuyvesant in my 73 monte carlo playing 8tracks while Dan taught me how to drive. What great memories! Dan I will miss you, but I will never forget you. Be free my Friend..

“ Just a few of my fondest memories of my big brother Dan was when we were very young and we lived in the country. We played outside alot and our favorite thing was to climb trees. Dan would get so mad at me because I liked climbing up the tree it was trying to climb down that terrified me because of my fear of heights. It would take a lot of impatient coaxing from Dan to get me down from the tree. Then he had a plan. He would climb the trees first that way I couldn't climb any higher than he was and he didn't have to deal with getting me out of the tree. What a smart big brother :) . We loved jumping around on the bales of hay when we helped dad on the farm. I remember sometimes we would play house and he was my husband and very submissive. LOL!!!! (I was so bossy). He was a typical big brother like trying to tickle me until I couldn't breath or pee my pants (which I think I may have done). He enjoyed giving both Marie and I knuckle sandwiches hitting me on the same spot of my arm until I screamed which didn't take long. One last memory I will share is when he would get so mad at me when I couldn't finish eating my mash potatoes and he wanted them and I would give them to Marie. I was just being a brat!! I would give anything for him to be here and healthy and I would give him ALL my mashed potatoes if he wanted them. I love you my dear brother and look forward to time when we can be together forever!!!

“ It is with great sadness and admiration that I express my condolences to the Gregory family. Danny and I were childhood friends and although I haven't seen him in over 45 years his boyhood grin is one of the few that has stayed with me through the years, thus providing me with fond memories of this very special person. Rest in Peace Danny.
