“ *Dichel Jefferson was my little cousin I can recall the many days in the  
back yards and fields in North Carolina playing sports especially  
football for hours on end I would pound him and pound him but he  
kept getting up. Yes, I thought because I was the older cousin it was  
my job to make him tough so he could survive in life. I did not know  
that he would become the great person he became, a coach, a  
mentor of many, and father of three boys that he loved dearly. Dichel  
was a man of peace and he accepted you as you were and loved  
you just the same. He was full of laughter and grace I love you little  
cousin Rest in Peace and may the God peace cover your boys and  
your love ones. Love big cuz Dennis Royal*
