Damian, your Father loved you very much. So much so he took comfort that you were in a loving home, doing amazing and for that he was so proud of you. He never stopped thinking of you ever, and never will.

“ I will always cherish our rides back and forth and listening to the different music. We went from anything from ICP to Katie Perry singing at the tops of our lungs whether we knew the words or not. I taught you about old school bands and you introduced me to the newer ones. However ultimately we ALWAYS ended our right with a Grateful Dead song. Oh and thank you for being my manicurist for my wedding. I love you. Aunt El
