“ I will be sending a separate card as well to Virginia. I want the family of Evelyn to know I just learned of her passing this afternoon, 8/5, at Whittier. Evelyn was a dear friend at Whittier and I looked for her each time I went to provide music for the residents. Her smile brightened each person's day around her. She would be the first to volunteer to 'round up' people for singing when I came. Her good disposition was contagious. I can truly say I loved Evelyn and I will miss her. I am happy that she is now without discomfort or pain and she is resting in the arms of her Lord. She's probably busy getting together with the angels and arranging a good time for all!
