“ My condolences to Florence's family. She was gracious, witty, and a bit of a trickster. She once sent me a Christmas card and hundreds of tiny plastic rectangles with Merry Christmas fell from the card when I opened it. She was a dear friend and I will miss her greatly.

“ I was honored to have had the opportunity to have known Florence for several years through the friendship of her youngest daughter, Catherine. During that time, Florence demonstrated how to live with a zest for life, a caring for others, and a dignity that was illuminated in all that she did. She will be missed by many, but her legacy will be carried down for generations to come. My sincere sympathies to those that knew and loved her.
