“ *Deepest condolences to Frank's family. We enjoyed our many conversations over the years on our to and from the synagogue. We can still see him sitting on the porch with a cigarette in one hand and a cup of coffee in the other. He was always a pleasure to talk to and he will be missed. May his memory be for those who knew and loved him a source of consolation and comfort. Rabbi Daniel and Denise Fried*

“ *The best way to honor someone who is not with us anymore is to continue living our life and keep their memory alive through everyday events. Your loss would have wanted that, and expected nothing less from you.*
