“ I miss you dad...Yes, you were technically my father-in-law, but to me, you will always be dad, to my kids, you are grandpa...You have been in our lives, since 2008... You've been my dad since Tom and I have been together (2011)... You have always shown us, kindness, caring, and most importantly love... We have had many laughs, and lots of memories, which we will always treasure...Until we meet again in heaven, Rip Dad 🙏 I/we love you ❤️
