“ Gay and I grew up together. There was the three of us, Greta, Gay, & myself. We were the kids of the family. Now Greta and Gay have both left me. It's very sad when our family is leaving us, but I will hang on to the memories that I have with both. Go in peace Gay, and may God be with you. Love you, Junior (George Twadell)

“ So sad that I could not get down to see her. I loved her and will miss her. It's so sad when families are broken apart and you lose the closeness.

“ Aunt Gay was really our second mother when we were growing up. She made handmade clothes for our Barbie dolls, made all of handmade sweaters, and treated us as she would have treated her own children. She was always there for all of us..
