

## George Robert Culver

August 11, 1929 - November 3, 2023

George Robert Culver (Bob), 94, of Boston MA, formerly of Kinderhook NY, passed away peacefully, at home, on Friday, November 3. Bob was born in Kansas City, Missouri on August 11, 1929, to the late George Llewellyn Culver and Florence Talbot Culver.

Bob was an architect, avid gourmet, eager traveler and accomplished gardener. At his home in Kinderhook, he brought all these talents to bear on the property, where he designed a lovely garden in the French style, complete with hedges, walks, fruit trees, herb garden and terrace. Here, Bob and his partner entertained their friends and family with carefully planned and beautifully presented meals.

Bob and his partner traveled frequently in Europe, often spending weeks in the Fall in their favorite city, Paris.

Bob received a B.A. in Political Science from the University of Minnesota and an M.A. in Architecture from Columbia University. He spent many years practicing his craft, first as a corporate architect, and later designing apartment interiors in New York City, where he lived for many years and raised a family.

Bob is survived by his partner of many years, Richard Pokorny of Boston, MA; his ex-spouse Charlotte; children George T. and Harry C. M. Culver; their wives Marianne and Natalie; grandchildren George Leland Allen Culver, Hannah Charlotte Culver, and Nicholas Robert Culver; and numerous friends, especially in the Kinderhook, NY area.

Bob had a talent for drawing people together. He will be missed by his friends and family. Gifts in memory of Bob may be made to Columbia Memorial Hospital. See full obituary and memorial page at [www.saccofuneralhome.com/obituaries](http://www.saccofuneralhome.com/obituaries).
