“ Our prayers and deepest condolences to Paula, John, Lorrie and the entire Leck family during this time of sorrow. Heaven gains another beautiful and caring angel! My sister Carol Ann and I remember growing up in the neighborhood and seeing "Gertie" and John and the girls while I was playing with John Jr. my friend and classmate. She was very, very kind to our Aunt Claire Wallace and her young family when my uncle Neil passed away suddenly. They were good neighbors. RIP Gertie.

“ Gert was a wonderful neighbor and often told me she would pray every day for each of us on the street. Gert came to our Monday Bible study for many years and it was always a joy to hear her thoughts. From time to time Gert would give me some advice. The one I always remember is she said to always bring my cell phone with me when I went down in the cellar to do my wash. And it stuck with me, even when I forgot after going down a couple steps without it I would turn around and retrieve it. We have been neighbors for over 40 years and I will miss her smiling face and vivacious personality. Marge B.
