“ I will forever remember Goldie for her kindness to me when I was on vacation in the Catskills during 2011. I was taken to Columbia Hospital with a heart issue and she and I became hospital room-mates. She was so encouraging and helpful to me before my heart procedure. Then, afterwards...she continued to put sunshine in my life. After I returned home to Washington State, Goldie and I continued to write or call each other. She was a delightful lady....cared so much about her family and friends. Bless you, dear Goldie. Phyllis in Kirkland WA.

“ Our sympathies to all of you on the passing of Goldie. I remember her fondly as one of my Mother's (Dorothy Niebergall Russell) cousins. Mom talked about going to Lake Charlotte and Camp Jane and Camp Jack with Goldie, Nancy and Bobby. I have a wonderful small photo album from summer 1938 or 1939. Goldie and Mom graduated from the same class at Hudson High. So sorry for your loss. Susan Russell-Robinson
