“ *The Valatie Senior Center seniors extend our heartfelt condolences to Greta's family in the loss of a sweet lady. Her pretty face and gentle countenance is greatly missing from our 'family' at the center. The Bible says the second we are out of our bodies we are present with the Lord...hope to be visiting with you again, Greta.*

“ *I met Greta at the Philmont Nutrition Center a few years ago. She told me she believed that we were related. It was interesting to look into our family tree to discover that we were distant cousins. Turned out we were 2nd cousins 1x removed. We shared a great grandfather...George P Hover. b. 1846...I have fond memories of her at the center and most recently playing Bingo with us in Valatie Senior Center. She will be missed. I send my heartfelt condolences to you all....With warmest regards Joan Lezette-Miller.*

“ Mom, I cannot thank you enough for what you have done for me. You were always there for me when I needed you. You were my strongest critic, but my biggest supporter. You were my mother, but also my friend. To the world, you were our mother, but to our family, you were our world. Thank you for being such a wonderful mom and grandmother to my daughters. I will love you and miss you forever.
