

Harley Brian Dole

June 6, 1960 - February 14, 2020

Harley Brian Dole 59, of Stockport died at his home on Friday February 14, 2020 following a long illness. Born on June 6, 1960 in Schenectady, he was the son of Sandra Hatfield (Welch) Dole and the late Robert Dole. Harley was a laborer for many years with Laborers Local 1000 in Poughkeepsie. After graduating High School, he served in the U.S. Army for several years before beginning his career with the Laborers Union. Harley had a special love for animals and always made room in his home to adopt dogs in need of rescuing. No matter how difficult or cruel a life a dog had, each one could always count on a life filled with unending love, companionship and plenty of adventures at "Camp Dole". It was truly their forever home.

He is survived by his wife Deborah A. Dole, sisters: Heather and (Charlie) Hampton and Sherry Dole, as well as several Aunts, Uncles and Cousins. A Memorial Service will be on Saturday March 14, 2020 beginning at 1PM at the Sacco Funeral Home 700 Town Hall Drive Hudson, NY. “ I am at a loss for words... yes... of course I'll miss you! I'll miss our little chats we use to have...I remember the earlier years when we played guitars together, and shared living space on Long Beach Island NJ and had some great times there... never any bad time's only good. I am grateful to have known you brother. Ouch, reality hurts even more when it hits home! Thank you for the love you shared!

“ I remember when Harley and I got our first dog, Bailey. Harley was instantly over the moon in love and spent the rest of his life rescuing dogs in need. We called our home Camp Dole and saw to it that every dog who came to stay with us had room to run and play, all the love they could ever want, and a safe place they could call their Forever Home. We had 21 years of amazing adventures with all of our dogs! Harley also believed in helping others to do the same. He would donate money to our Columbia-Greene Humane Society so others could afford to adopt and he would often take bags of food to them for their community program. Harley was an amazing husband, a tireless advocate to dogs in need, and a great friend to so many in our community. I will miss him more than I can say. with love - Debi Dole
