“ *Helen was a sweet lady. She had an amazing memory. And Funny too. Always made you smile and laugh. I like to remember her at most when she was with her family around her, like at her last Birthday that I was able to attend, as well as many other special occasions with all her family around her especially at the many holiday time get togethers that we were included in at her granddaughters Donna's home. My heart goes out to you Donna. Family was everything to her. I know she enjoyed those days. She truly was happy especially when her kids and grandkids were with her. Her kindness has touch so many lives as well as my own . I'll never forget her. She was a true sweetheart in every sense of the word. Now she is in the special group that only angels share. Helen was and angel here and now she got her wings and is free to fly with all the angels now in the heavens above. Condolences to her whole family. ❤️ Rest in peace Helen. We love you. Love Danny and Sandy*
