“ My Aunt Helen will always be remembered for all the Christmases we spent with her and Uncle Freddie and Cousin Freddie. I last saw Aunt Helen and Cousin Freddie at my Mom's funeral in 1999, as I have lived in Tennessee for the past 20 years and very rarely get up north. We kept in touch through yearly Christmas cards. My Mom's name was Helen also and after Aunt Helen married Uncle Freddie, and before my Mom married my Dad, they enjoyed both being "Helen Sigoski" together. I have a lot of childhood memories of my Aunt Helen. She lived a long, full life. She will always be in my heart, as I loved her very much.

“ I will always remember my Aunt Helen as someone who was kind, cared about others and even though I was a small child she was easy to talk to, she was what anyone could ask for in an Aunt. Even though we did not see each other much with her and Uncle Freddie living in NY and my mom and dad living in Pittsfield, Ma and later in Manchester, NH, I will always remember her laugh and smile. Rest in peace Aunt Helen, you were a very nice person that I had the pleasure of knowing.

“ *Cousin Helen was such a pleasure! Always telling stories of Cocie Mary and my grandmother. Sad that I had to find out in the paper today that she passed a month ago.*

“ *When I think of Aunt Helen, I remember her kind and gentle ways, her smiling eyes, her easy laugh, and the way she always made you feel special and welcomed. She enjoyed visits, planned and impromptu, and adored spending time with family, especially the kids. Her warmth was contagious and we all have very fond memories of such a pleasant soul.*
