“ I worked with Jim at Abmc, some years ago. He was such a giving person. I have so many things he made for me. He stopped where I worked every few months and said hello. I didnt realize he was that sick. I'll miss him! He was such a nice man. Prayers to his family.

“ We just learned of Jim's passing - and send our condolences to his family. He has been a regular donor and customer for many years at The Second Show. He was kind, thoughtful, and generous - and through his donations, he shared his love of baseball cards (and his large collection) with the community. We will miss his smiling face. Wishing you peace and comfort during this difficult time. Carol and Bobbi

“ *To the Nero family - We are so sorry for your loss, Joe and I always looked forward to seeing Jimmy every week at "Sally's". Wednesdays in Hudson will never be the same. We will always treasure all the wooden crafts he made for us. We picture him now mowing the heavenly lawn with his Dad. Our deepest and heartfelt sympathy.*

“ Nancy, Mike, Tom and family,
We are so very sorry for your loss. Jimbo, as we called him, was a good friend of ours for years. He was always thoughtful, funny and a kind person to all he met. He would never forget you on your birthday or Christmas with a card and some loosing lottery scratch offs or a nice wooden craft that he made for you. I won't mention all the nice things he did because I would run out of space. Friends like Jimbo are rare and it was a blessing to have had him as a friend. He will forever be missed by us and always in our hearts.
Our thoughts and prayers are with you and your families at this difficult time.
