“ *I was Michael's good friend, and although we were good friends, he was like a brother to me, I visited him and Jeanette many times over the years, there were many laughs and great memories. When I heard of Michael's passing it just brought immense sorrow and days of endless tears. Now, hearing that Jeanette has passed, it is happening all over again. Not a day goes by, and I still cry and think of him, we had pizza parties together, we were always there for each other. No matter what.*

Rest in peace, Jeanette and Michael

Love you

“ To Jeanette's family - Jeanette was so much more than someone that I worked with. She was my friend. We kept in touch over the years and to hear that she had passed was such a shock. BUT - she is spending this Christmas with Jim and Michael again. Bask in the warm smile of Jesus my friend.
