

## Jenny M. Clough

April 17, 1951 - March 31, 2025

Jenny M. Clough, beloved wife, mother, sister, and grandmother, passed away peacefully on March 31, 2025, at the age of 73, just weeks after the passing of her dear husband, Martin. She was born on April 17, 1951, in Proctor, Vermont, to Ada and Arthur Ploof (both deceased). Jenny's heart was full of love for her family, and she now rests with her husband Martin, as they are reunited in heaven.

Jenny is survived by her loving sisters, Helen (Arnold) Anderson and Terry (Edward) Murnane, and her brother, Abraham Ploof and her many nieces and nephews. She leaves behind her two children: daughter Clair-Jhean (Todd) Conto-Mills and son Stephen (Alicia) Ploof, along with her cherished grandchildren: Cheyenne Mills, Zaine Mills, Connor Ploof, Mikayla Ploof, and Sophia Ploof. Jenny also embraced her stepchildren as her own, including Lisa (Daryll) Mossman, Debbie Pfeiffer, David (Mary) Clough, and Martin (Karen) Clough, and she adored her many step-grandchildren and great-grandchildren.

Jenny will be reunited with her parents, as well as her sisters Pam, Pearl, Florence (Frosty), and Robin, along with other loved family members who have gone before her.

A devoted homemaker, Jenny was known for her warmth, hospitality, and nurturing spirit. She found joy in cooking delicious meals for her family, playing Pogo games, crocheting, and sewing. More than anything, Jenny cherished spending time with her family and friends, and her love for them was evident

in every aspect of her life. Her heart was kind, and she touched the lives of everyone she met.

Jenny's memory will live on through the many lives she touched with her love, kindness, and generosity. She will be deeply missed by all who knew her, but her spirit and love will forever remain in their hearts. A Memorial service is being planned for both Jennie and Martin Clough on Sunday April 13, 2025 from 2-5PM at the Sacco Funeral Home 700 Town Hall Drive Hudson. A Prayer service will begin at 3PM with Pastor Bob Anderson officiating.

“ My grandma, Mimi, was one of the best people I knew. Generous, kind, and such a caring spirit to me and so many others. She was one of my biggest foundations of kindness as was my grandma on my mother’s side. They both were instrumental to what built my kindness today. Losing her like I have many others for the past 5 years hasn’t been easy... in fact, I’ve struggled greatly trying to keep myself out of the sadness that consumes me with each one... but despite that, I will continue onward and help those that I can. My heart is not easily broken because my hope is to never stop believing. Mimi was one of the people who helped me get such a strong belief. Because she was one of the strongest people I knew. To all you reading this, never give up until everything is over. Many things like a life and situation can be changed if you believe hard enough and keep trying. Even the worst situations have a small chance for success, so no matter how low a chance or how much the odds are staked against you, don’t give up until everything is over. Don’t give up until you know that chance is gone. You may be surprised how something can change in your favor. For everyone who was friends with Mimi or was inspired by the person she was, keep supporting each other. Because I’m sure she would be upset if connections dwindled just because she’s gone. Don’t let her actions be a forgotten memory. I appreciate you all for being there for her and supporting her until the end. It means a lot to have such supporting family and friends and I’m sure she was happy for it too. Thank you for being there for her and wish you all the best.
