

John W. Weigl

January 23, 1954 - June 7, 2022

John W. Weigl, 68, of Claverack, NY, died peacefully on June 7, 2022, surrounded by his loving family. Born in Pittsburgh, PA, he was the son of the late John Leo Weigl and the late Mary Lou (Bell) Weigl and the oldest of their 5 children. He was a graduate of Robert Morris University and held the position of Medical Assistant Specialist for New York State in Albany. For many years, John owned and operated a construction business with his family, Tailored Foam of NY.

John was devoted to his family. After the death of his father, he helped his mother by working while attending college and coaching his younger siblings' sports teams. He provided support and guidance to his siblings throughout their lives. He was married to his wife, Lori Weigl, for 38 years and was immensely proud of their beloved son Josh Weigl, a Sergeant in the United States Army.

He had a love of sports, the outdoors and biking. John was nearing retirement and looking forward to spending more time with his wife biking their favorite trails: a plan cut short far too soon. In addition to his wife and son, also surviving are his brothers Robert, James and Joseph Weigl, sister Lynn Kist, nieces and nephews. John will be greatly missed by Lori, Josh and all of his family.

The funeral will be Friday at the Sacco Funeral Home 700 Town Hall Drive Hudson, NY from 5-7. Donations can be made towards a bench in his memory on his favorite biking trail: Harlem Valley Rail Trail Association P.O. Box 356

Millerton, NY 12546 or at www.railtrail@hVRT.org.

“ Oh Lori, I'm so sorry to hear of your loss. Although I graduated with John, we rarely talked in school. But in our senior years and through Facebook we were able to communicate often about our bicycling. I am so sorry to hear of his passing.

“ I am very sorry for your loss. John was my supervisor for the last few years for the Department of Health. John would always say hi to me every morning and we would talk about sports and life. He would always say good night to me when he left for the day. He always tried to help me learn as much as I could at work. He always spoke very highly of his wife and family and friends. He was a great boss. I will miss him very much and always miss our talks-Rick Lehnert
