“ Kenny was my neighbor for years and would love to scare me while i was sitting on my front porch. He'd bang on the window and I'd jump out of my skin, he got the biggest kick out of that. He was a great person, always there when we needed his help with anything. He will be greatly missed.

I worked with Kenny's wife for many years and I met Ken a few times. Deb always spoke so lovingly about Ken and he was a wonderful husband, father and friend to many people. He will be missed by everyone who knew and loved him. My deepest sympathies to Deb, Vincen and the family.
