“ Linda was a happy, sweet, genuine person. You don't find that in people very often anymore. Even though she was in pain and not in the best of health, she still had a smile and wanted to know how you were doing. She was a very selfless person always thinking of others. She will be missed by her friends and family but her memory will always live on in the people who cared for her. May you rest in peace. 💖

down the street, she's the smell of certain
foods you remember, flowers you pick,
the fragrance of life itself. She's the cool
hand on your brow when you're not feeling
well, she's your breath in the air on a
cold winter's day. She is the sound of the
rain that lulls you to sleep, the colors
of a rainbow, she is Christmas morning.
Your mother lives inside your laughter.
She's the place you came from, your first
home, and she's the map you follow with
