“ Hi everyone. This message is from Marty's son Martin the 3rd aka bo-be. I haven't spoken much to anyone since my father's passing Thursday morning, just trying to be there for my family during this tragic time. Anyways I guess this is the time I talk about special moments spent with my dad. I would definitely say the birth of his 3 grandchildren, and my wedding 22 years ago. Boy was he one proud father. I love you dad and will NEVER forget you. And here is my until we meet again pop..

PIP Marty, Thank you for being a good neighbor to Dawn and Randy Prazma. And also for walking her down the aisle in the Methodist Church on her wedding day to Randy Prazma. May God bless your family.

I just found out about Marty's passing. I grew up with "Sonny" in the 60's with a ton of memories as we were neighbors. We recently connected and completed the circle. Please accept my most sincere condolences.
