“ Mary was a beautiful person. She made me and my family like part of her family. I liked when she called and said "It's Aunt Mary". We will miss the friend that she was to us and her voice on the phone. We will miss the times she invited us to come down to Ukrainian Church events and to visit her home with Uncle Terry. Uncle Terry was like a "grandpa" to my son, who has never had a "pappy" from his parents.

Our prayers are with you and your family.
