“ *My grandmother has always been a wonderful lady. She showed me how to love and how to forgive. She talked about me alot lol, always had something nice to say about people.she was always that person I would run to if I needed help or just needed someone to talk to. My grandma always had a story to tell, mostly funny some strange but all would make you smile. She did a lot of sewing and crafting. She painted up until I moved in with her. She loved to play solitary on her computer, she would always take at least 10-20 minutes each day to play. She was such a wonderful lady.I miss you so much grandma.*

“ *So sad to hear that your Mom is no longer with us. She was a joy to have as a friend as we worked at Wal-Mart in the old store. She always had something to say and how much she was proud of her Granddaughter*
