“ *I knew him as Six. Mike called the office a few years back and introduced himself as Mike Sandagato and was speaking like we were close friends. I told him I didn't know who he was. Mike quickly told me it's Six Pack. We had a good laugh.*

*I'll miss seeing him driving around Hudson on his scooter. It was entertaining to see people get ticked at Six and his reaction.*

*His presence will be very missed*
