“ Just found out about Palmina's passing. I so enjoyed working with her - she had a beautiful spirit and fought a good fight. Ed, you were a great caregiver and I know she was so grateful for all you did. She is in a better place and freed from the pain and suffering of her body. “ Palmina's (actually I called her Mrs. White) energy and enthusiasm
for her family always inspired me when she would visit "her Eddy" at
our office. She bore her illness with great dignity and is a great role
model. My condolences for the family. I know she will be greatly
missed.
