“ So there was this one time Rob, Seth, Ian and myself were driving down to Kingston one day to go to the mall. Rob decided it was a good idea to visit Pam and Brian. We showed up unannounced, and she yelled at Rob as they were still in PJ's. It was the funniest thing ever. She let us right in though and I'm pretty sure it was one of the only times I ever heard her swear. One of the most kind hearted souls anyone could know.

“ Growing up Pam was my favorite cousin. I loved going to Uncle Frank's house to see her. Our birthdays are 2 days apart....she was older than me. May God rest her soul and comfort the family during their grief.
