“ *Met Patrice while working at Walmart. She knew my sister and sister In law really well. We clicked immediately. She made my days at work better. Her loud talking and laugh was great. She would call me reggy poo and I would call her treecy. We always had a good time. She was funny and very loving. Her kids meant the world to her.*

I would talk about someone or say something funny and she would say “I can’t stand you”

Going through the drive thru and pulling up and her saying “hey boo” her not with us anymore is heartbreaking. I will miss you and remember all the great times and conversations we had in person and on fb messenger.

My heart goes out to her family, closest friends and most importantly her 4 kids Rest easy and raise hell up there. Gone way too soon! ❤️
