“ I have many fond memories of chatting with Paul at our Sunday meetings. He was always so friendly and positive. So sad to see him gone so young and leaving Clarice and so many who loved him behind. May Paul rest easy in God's memory until the day....and may He comfort and sustain the survivors.

“ Paul Bobb. That name brings to mind many memories. I can recall the days when they were living at Brighton; himself, brother and parents. Very quiet and close knitted family; Paul and Erwin always lend an helping hand when they visit their brothers ; when asked to help with an errand Paul never say no ; he would ask , what can I do for you . He will be greatly missed. On behalf of myself and the rest of my family; to Clarice and the rest of the Austin's and Bobb's family my condolences to you all .
