“ *Pete was our mail man for many years. Always had a smile and a moment to chat. When we moved up the road, he even built us a new stand for our mailbox. A very nice man. Linda and Terry Guntert*

“ *I very proud of the fact that Pete was my brother. He was a generous and caring man, honest and concerned about his neighbors. Most of all he cared so much for his family and left a strong legacy of strength and dedication to others. He also cared about and served his country and his community. He was as good as it gets.*

“ I am so sorry about your parents. I lost track of them after I left the VFW but before that I knew them well. I can't believe they are both gone and I'm sure you can't either. Know that your parents were two of the nicest people I know and they will be missed by all who knew them. I am so sorry for your loss. Linda Betz

“ I'll always remember Mr. Woodward (Pete) as a good man. He was always super friendly to my siblings and I as he worked alongside my father Jim Hamm at the Post Office for many years. He was always fun to be around when we had parties or saw him at a social event. Even seeing him come to sporting events at the school we attended with his kids; he would come right up to us to say Hi. My condolences are with his children and rest of the family.
