“ *To Rick's dad & sisters:*

How well we remember Rick! Intelligent and so polite. We always enjoyed having him as a Radio Shack customer. We also fondly remember his mom, especially when she brought her baby daughter into the store and let me hold her! We are sure he accomplished much in his short life and although he was just a teenager when we left we wanted you all to know the impact he had on us.

*With sincere condolences,

“ My brother was the *BEST* brother I could have ever ever asked for. Although I will never win any awards for being the best sister, daughter, wife, or mother lol I truly loved and deeply miss him. I'm so sorry Rick as I feel I let you down so many times. At least you're with Mom now but life will *NEVER NEVER* be the same without you. George and I miss you dearly brother in law. Please keep a watchful eye over us all. I love you Rick and am sorry to have let you down despite what others think or say.
