“ *I'm sorry to hear this, I knew him a little bit in school, but now for years Rich has been the usual Main-Care guy taking care of my ridiculously old furnace & water heater, just went downstairs to look at all the RKs written on the Main-Care stickers. Again, sorry to hear this, he was a good guy.*

“ Rich (Dickie) has been a part of my life since I can remember. As children the family lived in Red Rock on the Doyle farm next door to my best friend Donna DeLong, I would ride my bike to visit almost daily. So many fun and fond memories of those days. He and I may have even kissed a few times in the hay silo. He and his sisters Brenda and Sandy were part of our crew! My love and condolences to all of his family. Due to work I will not be able to attend his service but please know I love you all, Shirley and Richard I'm beyond sorry you lost your son. Brenda and Sandy I love you.

“ I've know Rich since we were kids. He lived on the Gleason Farm and we always were playing together at the farm. I worked with him at Main Care for several years and just talked to him on Thursday. I'll miss you buddy!

“ Uncle Richard, Pat, & family we send our deepest condolences to you all. You will be in our thoughts & prayers in the days ahead. I have fond memories of Dickie from childhood. He of course had the Klein sense of humor so never a dull moment, as well he was always looking out for his younger siblings & cousins. Me being one of them. Time passed and we unfortunately didn't stay in constant touch but he always had a fond place in my heart. May he rest in peace.

“ *My brother will be missed dearly. I will miss him coming over and hanging out catching up with myself, our dad, and my son (his nephew) whenever he could get away from work. They are the men in my life. While I was growing up we frequented car shows, antique barns, and a breakfast or lunch date at a local diner. He always had a smile on. We will miss his smile and visits. May he rest in peace*
