“ *Im so sorry to hear this.
Uncle Bob is a very distinct memory for me....
When I was little and I would visit him at the farm they were living
on, he would let me tag along to feed all the animals and he was
always making me laugh, he was always very sweet to me.
Now you are Home Uncle Bob and you are healed and safe in the
Lord's grasp.
May you all celebrate his life with joy and remember to stay in the
Light during this time of grief.
Blessings & Love,
Alyssa "Lissy" Myer-Chavarria*

“ Nancy and family, our condolences,Death is nothing at all
I have only slipped away into the next room.
I am I and you are you
Whatever we were to each other, that we are still.....
Call me by my old familiar name
Speak to me in the easy way you always used
Put no differences into your tone
Wear no forced air of solemnity or sorrow
Laugh as we always laughed
At the little jokes we always enjoyed together
Play, smile, think of me, pray for me
Life means all that it ever meant
It is the same as it ever was
Why should I be out of mind
Because I am out of sight?
I am waiting for you for an interval.
Somewhere very near, just around the corner.
All is well.
Nothing is past; nothing is lost
One brief moment and all will be as it was before
How we shall laugh at the trouble of parting when we meet again!
