

Ronald W. Teator

February 27, 1936 - February 22, 2022

Ronald W. Teator passed away at his home in Greenport on Tuesday, February 22, 2022. A lifelong resident of the Hudson area, he was a graduate of Hudson High School, with additional higher education coursework at Rider College in Trenton, NJ prior to enlistment in the U.S. Air Force. He was a veteran of the Korean War, with many years of membership at VFW Post 9593 in Stuyvesant Falls. Additionally he was a member of Hudson Elks Lodge 787 for most of his adult life.

A devoted husband, father and friend to all who knew him, Mr. Teator had a long and notable career in industrial sales, starting at the V & O Press in Hudson, NY and culminating with American Optical based in Sturbridge, MA. It was a role his affable personality lent itself well to, as it was the people he met along the way that made whatever endeavor he pursued more than worthwhile.

He is survived by his sons, James R. Teator and Micheal J. Teator, as well as grandchildren Sara L. Teator, Dylan M. Teator, Kara L. Bonacci and Colin J. Teator. He is predeceased by his wife Carol A. Teator (Shumsky).

Funeral services will be private at Sacco Funeral Home with burial following at Mt. Pleasant Cemetery in Greenport.
