“ I remember about 6 or 7 years ago I came to Hudson for wake to my cousin Megan after the speeches everyone gave we were all outside ready to go to cemetery so she asked me if I wanted a ride and sure but we didn't go there because she didn't like cemeteries so both of us went to her house and had a cup of coffee. After all these years it felt like catching up was the right thing to do. I'll miss you cuz 😊. #RAD
