“ It is deeply sad that you have left us dear mom! If you could, I know you would tell us to be strong, stay together, love one another, do the best that we can, anytime we can, everywhere we can, and as long as we can. I'm grateful to God that I was blessed to be raised by a strong woman like yourself, who had selflessly impacted many lives throughout her time on this earth. You will always be loved and remembered! We miss you, and we love you mom!!!
