“ *My deepest sympathy to your family. You were family to us over the years and you will be sorely missed. I love you and always will, Rudi...*

“ *Our sympathy to you on the sudden death of Rudy. We are the uncle and aunt of Jackie. In recent years, Rudy had corresponded with me on Facebook and told me of his help and plans for his grandson. The way in which he cared for Kim over the years was wonderful. I often heard of things he had done including making sure that her mother could be at her bedside and funeral.
