“ My heart goes out to Sean's siblings after seeing this news. Though it has been over 4-years since his passing, I wanted to send my condolences. My memories with him are many during our 5 years of marriage. Heaven has gained a wonderful human.

“ Sean first strolled into the office at Martin Van Buren National Historic Site with someone he was counseling for a Book Club meeting in 2015 if I remember right. "Coffee, cream or sugar?" was our first conversation. He often brought folks connected to Apogee Center for a tour. Blessings and comfort to you all. (Dawn Olson)
