“Junnie” as we affectionately called him from the day he was born, was my cousin. We grew up together in Barbados and stayed close and in contact after he relocated to the UK and I to Canada. When we talked via FaceTime or WhatsApp, he always had a smile on his face, had a joke to cheer me up or was just being his wise and loving self. He will be dearly missed as a bit of light has dimmed in my heart at his sudden loss. Rest in Peace!
