“ Some of my fondest memories growing up in Brooklyn were my almost daily visits with Aunt Theresa after class. She always had coffee waiting and we would talk for an hour or more before I made it upstairs to my apartment. Aunt Theresa had a kind and loving heart that touched the lives of everyone around her. I will never forget the positive impact she had on my life. Rest in peace Aunt Theresa; you will be greatly missed.

Your loving nephew, Joe Augeri.

“ *Some Memories to Share With Jerry and Nicky*

My twin brother Joe and I grew up with many aunts and uncles, but Aunt Theresa and Uncle Joe were our favorites. We all lived in the same building for many years and grew up around them and our cousins, Jerry and Nicky.

I chose Aunt Theresa for my Godmother for my Confirmation. I can still remember feeling so proud of this lovely woman standing in a pew with all the other Godmothers. She wore a large red straw picture hat and a navy blue dress with red trim. I was so proud of her and truly adored her. She was beautiful, kind and generous with a tender heart.

She wasn't just my Aunt. As I grew older, she became a trusted friend and confidante. She even screened my boyfriends for me and I trusted her judgement.

One very early memory I have of her was during the war years. Uncle Joe was in the army then. Times were hard and it was difficult to get toys at that time. I was about 6 years old when she appeared at my birthday party carrying the biggest, most beautiful doll I had ever seen! She always did things like that. So thoughtful and generous.

I have so many dear memories of her. I will never forget her. She was a kind and loving mother, a wonderful wife and a dear friend to all who knew her. I pray to God that He holds her in the palm of His hand.

Love and blessings,

Mary

“ *From a Faraci family to my Brother Joseph and Theresa Faraci family . We are extremely sorry for your loss, in part our loss as well. I knew Theresa When Joe was still the service. She would come to the bakery almost every evening to hear some news from him. There never was, apparently He only wrote to her. Once in awhile he wrote to my parents. Theresa would sit down at the table and would write to her man. This was a daily routine. Tessie Was a favorite in our lives, A second sister to me. She was fun to be with, always a smile on her face, A loving caring person. All Our love, Aunt Carol, UNK and family*

“ Dear Jerry, Liz, Nicky and family,

I am so heartbroken to hear of the passing of Aunt Tesse, and extend my most sincere and heartfelt condolences to each of you during this sad and difficult time.

I have such fond memories as a little girl visiting the bakery in Brooklyn with my family on Sundays, and recall Aunt Tesse always greeting us so warmly with her beautiful smile, and always so busy in the kitchen cooking the most delicious Italian meals for everyone. As a teenager, I was blessed to spend my first summer out of high school with my Aunt Tesse and Uncle Joe at their beautiful home in Livingston, and worked my first job helping at their pizzeria and restaurant that summer; these wonderful memories I will always cherish and hold dear to my heart.

As I sit and contemplate my dearest and fondest memories of Aunt Tesse, what truly stands out the most is her warmth, her smile, and her kind and gentle heart. She truly is a beautiful soul and I will always hold my memories of her and my Uncle Joe close and dear to my heart.

*With Love, peace, prayers and blessings,
~Cousin Ginnie*

“ Jerry, Liz, Nicky and family,

One of my memories of Aunt Tess is when she was my godmother for my confirmation. She gave me my first gold watch and I felt very grown up and special. She looked very much like my mother. I know my mother enjoyed visiting with her when she lived in Brooklyn. Now she joins some of her brothers and sisters in heaven. May she Rest In Peace.

“ Today we mourn the passing and celebrate the life of Aunt Tess. She will be greatly missed by all those who loved her.

My fondest memories of Aunt Tess were when she and Uncle Joey owned the bakery on 15th Avenue in Brooklyn. My mom and I would walk 12 blocks to 74th Street on a Friday to help serve the delicious Sicilian pizza. For one hour, the bakery would be crowded with schoolchildren from Our Lady of Guadalupe; then we would all sit down and enjoy the leftovers followed by a cup of demitasse. Those were very happy times when family mattered above all else. She is with Uncle Joey and my mom and dad now. God bless them all.

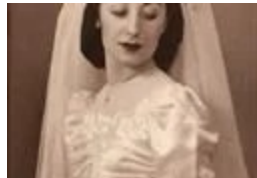

Deepest sympathy to my cousins; Jerry, Liz, Nicky and their families.

Love, Annemarie Prisco
