“ Tom was such a special person - I knew him from his helping us manage our rental property in Hudson, and from the moment he walked in the door, I could tell what a wonderful person he was -- so friendly, interesting, full of humor, and such a dedicated worker - spent way too much time trying to fix an antique light fixture and wouldn't stop until it was fixed. As others have said, a light has gone out, but he will be long remembered.

“ Tom was so special to me, he was my Angel that came into my life when I needed him the most. I still cannot believe you are gone. I know you are in a better place. I love you and miss you very much.

“ While I only knew Tom for a couple of years, he was certainly one of the nicest people that I have had the privilege of knowing. I greatly enjoyed singing alongside of him at the American Legion Post 1748 on Sunday afternoons. I was very intrigued by his amazing abilities as a very accomplished Violinist, and our chats about his days at the Grand Old Opry. I consider myself fortunate to have had the privilege to enjoy his company. Tom, may you take your music with you, and may you Rest in Peace.

“ Tom brought joy to so many including myself. Today at the Blue Mountain reformed church he was remembered and very few dry eyes were to be seen. The place near the altar where he would sit and bring us heavenly tunes was vacant and his heavenly music was no more. We listened to one of his recordings which reminded us to have faith that we will see him one day again. His faith, his optimism and his life were an inspiration and he was an example of loving one another. I will miss him as so many others who mourn for his presence.

I couldn't remember the name of the church he played for. What a blessing it must have been for your church to be there for worship. We prayed for him Sunday at the Reformed Dutch Church of Claverack.

“ I'll forever cherish the memories of Tommy coming down to our house in Hudson and playing music with my Dad on the front porch. The neighbors loved getting their private concert! I know I'll never hear anyone play the violin like Tommy did ever again. He was the MASTER. So many other memories as well that I'll forever hold in my heart. Rest peacefully Tommy. Condolences to his Mom, brother Chris, his daughters, grandchildren and all his friends. Please know Tommy was loved by so many and will never be forgotten. ❤️
