“ *To a Great Man That Touched My Life*
...you told me life is too short to wake up with regrets....so you said to love the people who treat you right and forgive the ones who don't, just because you can!
You always said to believe that everything happens for a reason and that if you get a second chance grab it with both hands and if it changes your life, let it!
You said to take a few minutes to think before you act when you're mad and to forgive quickly! You reminded me and our family that God never said life would be easy....He just said it would be worth it!
A real man, like you Pop always had the time to walk with me and Steve when the rest of the world would walk on us.
Today is truly "Pop's " Day.....when you finally meet your Lord for all eternity!
I LOVE YOU POP....Vik
