“ My heart truly goes out to Natasha and the family. This circumstance is genuinely heartbreaking. I wish Tim had had more time to spend with his loved ones, friends, and co-workers. I worked at UL with Tim. We sat next to one another for a year. I've always liked and respected him and thought he was a warm, beautiful person with a great laugh. It's always been heartwarming seeing Alivia, Natasha, and Tim at office parties. I wish you all the strength, compassion, and resilience needed now and for the future.

“ I worked with Tim for 10 years at MESO Inc, AWS Truepower and UL. In the beginning I was like a programming mentor to him. He picked things up fast. Over the past few years, his skills had advanced such that I was the student and he was my mentor. He was a great co-worker and my good friend. I miss him dearly.

“ To the Family of Timothy J. Melino, Jr.,
We never met Tim, but he is in our family. Natasha is the daughter of my Nephew so in our hearts he was a big part of the family. It breaks our hearts that this has happened to such a fine young man and want to express our Deepest Sympathy to Natasha, Livi and the baby, who will never get to meet his Dad. Wish we were closer so we could be there for all of you. God Bless You All and know that Tim is in Heavens with God.
